

Worshippers To Hail Resurrection On Easter Morning

Sunrise Services Moved To United Church Hill

As the sun slowly rises above the eastern hills of Oak Ridge on Easter Sunday, April 1, throngs of Oak Ridge worshippers will join in the annual Easter Sunrise Services of the city—with many Y-12ers expected to be in the outdoor congregation to celebrate the significance of the holy day, the resurrection of Christ.

The 1956 schedule of services has been changed considerably from the program of past years. In the first place the site of the services has been changed from Blankenship Field to the United Church Hill, to take advantage of the natural amphitheater at the former Chapel-On-The-Hill. Then the time has been advanced to 6

a.m. instead of 6:30 a.m. The official sunrise time for Sunday, April 1, is 5:45 a.m. and sponsors of the program want to have their services start just as the sun is first seen above the horizon.

If inclement weather prevails, those attending the services will be directed to an indoor location for the Easter rites.

The United Christian Youth Movement of Oak Ridge is sponsoring the annual Easter Sunrise Services this year. This group of young people, members of the varied congregations of Oak Ridge, long have been active in planning the Easter services. They have the strong cooperation of the Oak Ridge Ministerial Association in planning the 1956 program with the Rev. Frank Ladner, president of the association, often consulting with the youth leaders. Miss Betsy

Robinson, of St. Stephens Episcopal Church, is president of the youth group.

The program for the sunrise services calls for three youth speakers. They are Bob Smith, First Baptist Church; B. B. Foster, Trinity Methodist Church; and Roberta Byrd, First Methodist. The theme for the services will be "The Three Gardens." The first is the Garden of Eden—the garden of man's transgression. The second is the Garden of Gethsemane—the garden of Christ's over-coming. The third garden is the Garden of Arimathea, the garden of the Risen Lord.

The youth choir of the First Baptist Church will provide music for the services with an anthem and hymn with the congregation joining in the singing of the hymn.

Program Is Arranged By Youth Movement

Receptacles for the offering will be conveniently placed for members of the congregation and no collection plates will be passed. The offering will be sent to CARE, the international organization dedicated to aiding the needy of many foreign nations.

In addition to the sunrise services—special services will be held in practically every Oak Ridge church on Easter Sunday to observe occasion of life renewed and life everlasting as typified in the story of Christ.

Organization Changes Announced For Plant

Blackwell Promoted To Head A Shift

Blackwell Duncan

Several important organizational changes in the Y-12 Plant, effective March 19, were announced last week.

D. P. Anderson, who has been A Shift Superintendent for the past several months, has been appointed Superintendent of the Maintenance Planning Department. In this capacity he reports to W. E. Heckert.

Succeeding Anderson as A Shift Superintendent will be O. M. Blackwell. He was promoted from Assistant C Shift Superintendent.

H. D. Duncan has been transferred from the post of Senior Engineer in the Maintenance Division to become Assistant Shift Superintendent on the C Shift.

In another change F. V. Tilton has become Superintendent of the Mechanical Department in the Maintenance Division. He formerly was Area Supervisor in the Alloy Division.

Accountants Will Hold Meet At Lenoir City Lock Plant

Y-12ers interested in accounting are invited to attend the meeting of the Knoxville-Oak Ridge Chapter of the National Association of Cost Accountants tomorrow, Thursday, March 29, when the group will visit the Yale and Towne Manufacturing Co., at Lenoir City. The group will make a tour of the lock manufacturing plant at 3:30 p.m., after which there will be a technical session. Howard P. Boothe and Frank H. Reese, both of Yale and Towne, will speak on "A Practical Application of 100 Per Cent Incentive Payroll System and its Effect on Standard Products Costs and Inventory Control."

THOMAS J. WATSON, JR., PRESIDENT OF INTERNATIONAL BUSINESS MACHINES CORPORATION, CENTER, is shown on his visit last week to the Y-12 SS Control Department. From left are F. C. Uffleman, Charles Benton, Cincinnati, District Manager for IBM; Watson; R. S. Hughey, Knoxville and Oak Ridge IBM Manager; and E. C. Ellis, Manufacturing Office Division Superintendent of Y-12. The picture directly above Watson's head shows his father on a visit to the same group in Y-12 almost 10 years ago. Department employees are in the background.

IBM Corp. President Pays Visit To Y-12

Thomas J. Watson, Jr., Follows Father 10 Years

Thomas J. Watson, Jr., president of International Business Machines Corporation, paid a hurried visit to the SS Control Department of Y-12 last week, just a little less than 10 years after his father, now chairman of the board of IBM, looked over the IBM equipment in operation here.

Y-12 now has about 10 different types of modern IBM machines in operations to handle the various statistical records necessary in plant operations. The IBM president declared himself pleased with the personnel and operations of the equipment in Y-12.

First Visit To Y-12

The IBM president now is on a tour of the country inspecting IBM installations, and this is his first visit to Oak Ridge. He stated that the corporation's expansion had been 18 per cent in 1955 and was 20 per cent so far this year.

During a tour of the SS Control Department, the tall, grey-haired and blue-eyed IBM President greeted employees cordially and paused to look on a picture made of his father, when the elder Watson, then president of the corporation, visited Y-12 in early June of 1946. The chairman, now 83, still is in good health and active in his

Dave Samuel Looks Ahead To Long Summer Of Resting After Retirement On March 29

Outstanding Exponent Of Safety In Y-12 Groups And For Individuals Wished Best Of Luck By All

It's going to be a long summer of resting, watching television, puttering around the yard—and then, if he gets the "heebie jeebies" he'll see.

That's the reaction of David Byron Samuel, chemical operator in Product Processing, who is retiring tomorrow, Thursday, March 29, after having reached the retirement age prescribed by the Company.

In case there's any question about whom this story is being written, the retiring Y-12er is mostly and widely known as "Dave" or "Sam." He has been around a long time—first being employed on December 6, 1944. Terminated in a reduction in force on January 31, 1947, he was rehired on May 13 of the same year and has seen continuous Company service since then.

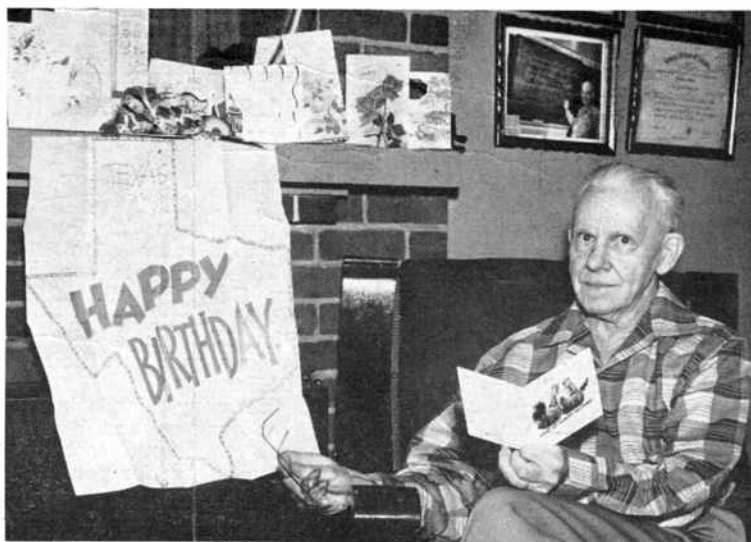

Dave Samuel has been an outstanding exponent of safety—for groups and individuals—ever since he has been a Y-12er.

Safety Meetings Not 'Time Killers'

"Many employees look on safety meetings as 'time killers,'" he said a few days ago. "That's all wrong. They should listen and profit from learning how to work and live safely."

Gifted with a flair for writing, he has written numerous verses

DAVE SAMUEL, PRODUCT PROCESSING, RESTS AT HOME ON THE EVE of his retirement on Thursday, March 29, pondering over his many birthday cards received on that occasion on March 19.

A Shift Hop Set Thursday At Eagles Club

That extra-special, gala, super-doooper dance set for tomorrow night, Thursday, March 29, at the Eagles Club hall, is the results of efforts by the A Shift of Y-12 employees. (It was erroneously announced last week in The Bulletin that the C Shift was sponsoring the affair.) The shindig is slated to last from 9 p.m. to 1 a.m. with fun persisting throughout the affair.

J. A. McLain, General Utilities and chairman of the A Shift Recreation Committee, has promised that the dance will be full of fun from start in finish. Music will be provided by the Dave Blessing orchestra.

Tickets have been on sale by A Shift folks for several days and according to the advance sale a full house is expected. The tickets sell for \$2 for couples and \$1.25 stag. They may be obtained from McLain at Bldg. 9764, Ruth Ferguson, Medical, at the Dispensary; Capt. Henry Krouse, Fire Department; B. W. Rea, Beta Two, Bldg. 9204-2; J. E. Thompson, Colex Operations, Bldg. 9201-5; W. D. Smith, also of Colex Operations; Bldg. 9201-4; and J. E. Thompson, Beta Four Operations, Bldg. 9204-4.

Women's Heavy Rescue Class To Be Formed

CD Meet Set Tonight; Y-12er Is Instructor

All civic-minded Y-12 women employees or wives of Y-12ers living in Oak Ridge have been invited to attend an organizational meeting of a women's class in heavy rescue work under the Oak Ridge Civil Defense program, it was announced last week by W. H. Britton, Director of Civil Defense for the city. The meeting will be held at 7 o'clock tonight, Wednesday, March 28, in the Civil Defense Control Center in the Atomic Energy Commission Warehouse No. 1, just off Oak Ridge Turnpike near the Elza Gate.

Arthur Ogden, of the Y-12 Buildings and Grounds Department who has headed the heavy rescue program for the CD since its organization, will be instructor of the new group. The new class is expected to meet weekly.

Oak Ridge now has four women's classes in Civil Defense work, totaling 92 members. The first of these classes was the first to be formed in the United States, according to Director Britton. The women have graduated from preliminary work and now are studying communications, first aid and similar subjects, including driving the Civil Defense rescue truck. Members have demonstrated their training in Knoxville, Nashville and before the State Civil Defense Association.

Another men's heavy rescue work class is expected to be formed early in April and Y-12ers wanting to join are urged to communicate with Ogden at plant phone 7-8356.

Get well wishes are sent to the following Y-12 employees who were patients last week in the Oak Ridge Hospital:

Lee R. Bailey and Walter Johnson, General Utilities; Ray Adams and W. T. McGee, Chemical; Howard Loveday, F Mechanical Operations; Warren Bass, Stores; R. E. Wallace, Jr., Beta Four Maintenance; M. V. Franklin, Sr., and Harry B. Pruden, Jr., Process Maintenance; Charles L. Jones, Research Services; Lucille Hatmaker, Timekeeping; James O. Phillips, Janitors.

TASTY ENTREES OFFERED ON SPECIAL LUNCHES

Tasty entrees are offered on the 50-cent Y-12 Cafeteria Special Lunches for tomorrow, Thursday, March 29, and next Tuesday, April 3. The Thursday Special Lunch will be featured by ham croquettes with cheese sauce while on next Tuesday grilled bologna cup with potato salad will be the main dish. Each Special Lunch also includes one vegetable, choice of salad or dessert and rolls and butter.

WILDER-FLYNT

Robert Glenn Wilder, of the Y-12 Colex Operations Department, and his bride, the former Miss Edna Jean Flynt, of Management Services Inc., of Oak Ridge, are at home at 310 Vermont Ave., Oak Ridge, following their marriage on Saturday, March 17. The ceremony was performed at 2 p.m., at the Oak Ridge First Methodist Church with the Rev. Frank Porter, pastor of the Fountain City Methodist Church, officiating.

The bride is the daughter of Mrs. Raleigh Flynt, of Salyersville, Ky., and the late Mr. Flynt. Wilder is the son of Mrs. Hugh Wilder, of Fort Smith, Ark., and the late Mr. Wilder.

For her wedding the bride wore a floor-length Chantilly lace gown over bridal satin, featuring a fitted bodice with scooped neckline. The gown had seed pearl trim and the skirt was of lace with nylon tulle. Her bouquet was a white orchid with a snap dragon cascade.

Mrs. Marty Thorwell, of Oak Ridge, was matron of honor. Her dress was of pink silk with a full skirt and cowl with matching cap and shoes. Her flowers were a cascade of pink carnation centered with red roses. Mrs. Robert Strunk also attended the bride and wore a dress of midnight blue, her flowers being pink gladiola. She also kept the guest book at the wedding.

During the ceremony nuptial music was played by Mrs. Barbara Thomas, organist.

Robert E. Stephens, of Alpha Four Maintenance, served as best man. Ushers were Philip H. Higgs, of Colex Operations, and Robert Strunk, of Oak Ridge.

Out of town guests at the wedding included Mrs. Hugh Wilder, mother of the groom; Miss Barbara Wilder, his sister; and Mrs. J. Leslie Evitts, his aunt; all of Fort Smith; and Miss Bettye Wilder, another sister, of Baltimore, Md.

The bride is a member of the Alpha Rho Chapter of Beta Sigma Phi. Wilder attended Fort Smith Junior College, the University of Arkansas and Draughton's Business College, also at Fort Smith.

WILSON-PASS

Marriage vows were exchanged last Saturday, March 24, by Miss Ozell Pass, of the Y-12 Production Assay Department, and Ernest Wilson, of Redson's Inc., Oak Ridge. The wedding took place at 2 p.m. at the Calvary Baptist Church, Oak Ridge, with the Rev. Melvin W. Watson, pastor, officiating.

Parents of the bride are Mr. and Mrs. Mitchell Pass, of Rockwood, Tenn. Wilson is the son of J. H. Wilson and the late Mrs. Wilson, of Copperhill, Tenn.

For her wedding the bride selected a beige linen ensemble of a street dress trimmed with rhinestones and a jacket of embroidered linen. Her accessories were of black patent leather and her corsage was of pink carnations.

Mrs. Sam Helton was matron of honor and wore a sky blue suit with navy blue accessories and a corsage of pink carnations.

Sam Helton, of Clinton, acted as best man.

Out-of-town guests at the wedding included Mr. and Mrs. J. L. Wilson and daughter, Jacqueline.

The bride attended St. Charles, Va., High School and the groom went to McCaysville, Ga., high school.

The couple will live in Oak Ridge.

LYONS-JACKSON

A wedding of interest to the many Y-12 friends of the bride took place at 4 o'clock Saturday afternoon, March 10, when Miss Ava Murriel Jackson, of Health Physics, exchanged marriage vows with Herbert Lyons, of Harriman, Tenn. The ceremony was per-

Mr. and Mrs. Robert G. Wilder

formed by the Rev. Clinton Pickard, pastor of the Elverson Baptist Church, at the home of a brother of the groom, Roy Lyons, at Harriman.

The bride is the daughter of Mr. and Mrs. Tom Jackson, of Athens, Ala. The groom is the son of John Lyons, of Deer Lodge, Tenn., and the late Mrs. Caldwell Lyons Rhoda.

At her wedding the bride wore a street length dress of light blue faille with navy blue accessories. She carried a white Bible topped with white orchids and stephanotis.

The matron of honor was Mrs. Edith Lyons, sister-in-law of the bride. She wore a Wedgewood blue suit with pink accessories and her flowers were a corsage of pink carnations. Flower girl was Sue Aikens who carried a bouquet of pink rose buds.

The bride was given in marriage by Charlie Cooper, brother-in-law of the groom.

Roy Lyons acted as best man for his brother.

Following the ceremony a reception was held at the home of Mr. and Mrs. Roy Lyons. Assisting at the reception was Mrs. Ethel Aikens, Mrs. Ida Ruth Pickard and Mrs. Daisy Cooper.

The bride graduated from Athens, Ala., High School and her husband from the Draughton Business College, Nashville.

The couple is living on Blair Road.

10 Years Service

Congratulations to the following Y-12 employees who will complete 10 years of Company Service within the next few days:

Joel S. Dunlap, Field Maintenance, April 1.

Robert K. Bennett, Jr., Development Operations.

POWELL PARENTS, BROTHER SEND THANKS TO Y-12ERS

Mr. and Mrs. Thomas Powell and Lowell Powell, of Rockwood, have asked The Bulletin to give this message to Y-12 friends of their late son and brother, Gary Powell, of the Colex Operations Department of the Alloy Division, killed several weeks ago in a traffic accident at Harriman.

"To the many friends in Oak Ridge of our son and brother, we wish to thank each and every one of you for your kind words of sympathy, your visits and the beautiful floral offerings at the time of the sudden and tragic death of Gary Powell. Again, we thank you. May God bless you and keep you in our prayers."

Mrs. Ernest Wilson

Mrs. Herbert Lyons

When bigger and better bloopers are burped—count the Colyum Conductor in. Oooh, last week was a dilly—first, the last name of a groom fell out somewhere (did he notice it?) then the C Shift got credit for an A shift shindig. The principal difference between the CC and the losers on the \$64,000 question is that the CC doesn't get a Caddy every time he flunks. Needless to say, apologizes all over the place to everyone.

Oh well, let's try again — better luck this time, so stick around.

SUPERINTENDENTS

H. N. Benninghoff, of the Shift Superintendent's gang, is vacationing and planning to move into his new home at Kingston—Benny also will spend some time over around Nashville.

General Utilities extends get-well wishes to L. R. Bailey . . . Not much has been said about those twins of J. B. Peters — but pictures of the first pair of progeny announced in Y-12 in some time will appear in an early edition of The Bulletin.

TECHNICAL

All the Engineering folks were up bright and early last Saturday morning telling each other what a fine time they had at the Division dance held the previous night at the Oak Ridge Golf and Country Club — Pollack's music for dancing and lots of fine victuals.

Gus Angle, the Ancient Mariner of Chemical and Industrial Engineering, spent a recent week end at Lake Charles, La., ogling the yachts coming there for a U. S. Power Squadron meeting.

R. E. Hill, Electrical Engineering, is moving into his new home on Eagle Bend Lane in Clinton while vacationing.

Mechanical Engineering sends best wishes to Nora Hurst, sick at home in Knoxville . . . Steve Adamski and family are visiting his brother in Chicago while vacationing this week . . . Ross Goosie spent an admirable vacation — getting acquainted with his new daughter.

Production Analysis and other Y-12 friends are congratulating Jean Finney, who is wearing a lovely new diamond ring — her plans for marriage to Jim Bridges, an Oak Ridge National Laboratory gent, are not yet complete . . . Get well wishes to Jincy Dingus, who is still ailing — likewise to Mary Sweeden, nursing a "strep" throat at home . . . News is received that Edna Frances and Art Holmes, former Y-12ers, are proud parents of a daughter born March 17 at Tonawanda, N. Y.

Development rolled out the welcome carpet for newcomers W. T. Carey and Otto P. Sheller last week.

INDUSTRIAL RELATIONS
Guard Department Lieut. D. B.

Williams is spending a quiet vacation at home in Oak Ridge.

Arnold Tiller, the Insurance Department feller, is vacationing around home in and around Rockwood, plans to do some "farming" (it says here, but he's just been elected president of the Rockwood Golf and Country Club Clambake Association so we'll bet it's 18 holes a day.)

Willie Braden, Cafeteria, is rightly and mightily proud of her granddaughter, born March 11 at Harriman Hospital and named Terry Lyn.

Safety Department private eyes "believe" the boss man, Lee Bagwell, has gone to Florida for his vacation.

MECHANICAL OPERATIONS

W. J. Barker, General Machine Shop, is vacationing at home in Oak Ridge — plans to paint the kitchen for his wife (watch out for paint in the hair, boy) . . . The same goes for J. P. Shuttle, at home in Oak Ridge . . . H. J. Powell is vacationing in Burlington, N. C., visiting his daughter, who is ill . . . John R. Gordon is up Chicago way . . . Mrs. Jim Thorpe is visiting their daughter, Pat, and her husband in Cedar Rapids, Iowa . . . C. H. Drummond selected Atlanta for his vacation . . . W. C. Collins went to Murphy, N. C. . . R. E. Hester is attending a Masonic Grand Lodge meeting in good old Nashville, Tenn. . . W. L. Lowry is in Knoxville — plans to do some fishing . . . C. C. German is in Livingston, Tenn. . . J. Edmund Hargis is over in Middle Tennessee . . . I. O. Keller's son, Ben, who has been in service in Newfoundland, is being discharged and will be home soon . . . Condolences to K. L. Prewitt, whose uncle died recently in Corbin, Ky. . . Also to O. W. Morris, whose grandfather died a few days ago in Knoxville . . . Get-well wishes to D. D. Woods, ailing at home in Knoxville, and also to L. D. Smith.

A Mechanical Operations sends rapid-recovery wishes to J. L. Billings and L. R. Phillips — likewise to W. L. Adkins, of F Group and J. H. Davis, of E Group . . . All the lads hope A. M. Maples has a safe and happy trip to Michigan on vacation . . . A warm welcome was extended last week to newcomers F. E. Morgan, E. W. Phelps and A. S. Ruskowski by F Shift, O. B. Cottrell and W. K. Asbury by G Group and R. J. Brown and H. A. Monday to E Group . . . It was a successful week end recently for J. D. Collins, who was all smiles on the following Monday over his catch of a fine smallmouth bass.

R. S. Owens, B Mechanical Operations, is vacationing with relatives and friends in Kentucky . . . E. H. Vineyard is content staying in Knoxville . . . L. J. Taylor went to Memphis and parts of

Continued on Page 4

EARLY Y-12 SOFTBALL PRACTICES SEEN

All Groups Urged To Be Represented At April 4 Meeting

Opportunity To Play Offered All Y-12ers; Banner Season Seen

If March marches out with its recent bluster and leaves the field to a balmy April, scores of Y-12 softball players are expected to be limbering up their joints and muscles within the next few days in preparation for what is expected to be banner season for the sport. Several groups already have drawn equipment from the Recreation Department for practices.

Full Attendance Urged

All managers and team representatives of groups desiring to enter play this season are urged to turn out for the organizational meeting set for 1 o'clock next Wednesday afternoon, April 4. The meeting will be in the Recreation Office, Room 221, Bldg. 9704-2.

From advance indications, two strong leagues of at least eight teams each are expected to be formed. Of course, the final lineup depends on the response and interest shown by groups and departments in having their representatives at the meeting next Wednesday.

Opportunity Planned For All

Every effort will be made to give an opportunity to all Y-12ers who want to play softball to play with some team during the season. Previous experience is not necessarily required as enthusiasm and interest is just as desirable in providing team spirit and competition.

Play for Y-12 softball teams all this season will be in Pinewood Park. The park is being improved for the season and soon will be available for practice sessions. Squads ready for team drills and wanting to make practice reservations should make them from the Recreation Office, plant phone 7751.

The Bombers of the American League were last year's Y-12 Plant champions. They also won the Oak Ridge Class B softball crown in a tournament against some 30 of the city's leading teams. The National League title last year was taken by the Ridge-runners, who were defeated in two straight games in a "world series" for the plant championship.

King Pins, Bumpers Gain In All Carbide

Both the King Pins of K-25 and the Bumpers of Y-12 sneaked up one point's worth on the loop-leading Left Overs of Y-12 in the All-Carbide Bowling League last week as they took four-point whitewash wins from the Cannon Balls, Y-12 entry, and the No Names, of K-25. The Left Overs posted a three-point win over the Oak Ridge National Laboratory Wheels and still have a four-point lead in the circuit. In the other match the Maple Moppers, another Y-12 outfit, blanked their fellow employees, the Hawkeyes.

A pair of Y-12 bowlers, Herb Oliver of the Cannon Balls, and Paddy Peckman of the Maple Moppers, were high scorers of the night. Oliver had a 204 game and Peckman a 562 series in the scratch scoring league.

| Team | W | L |
|--------------------|----|----|
| Left Overs, Y-12 | 33 | 7 |
| Bumpers, Y-12 | 29 | 11 |
| King Pins, K-25 | 29 | 11 |
| Maple Moppers | 26 | 14 |
| Wheels, ORNL | 21 | 19 |
| Cannon Balls, Y-12 | 13 | 27 |
| No Names, K-25 | 6 | 34 |
| Hawkeyes, Y-12 | 3 | 37 |

Rockwood Circuit Formed To Complete Three Golf Leagues

Deadline For Entering Is Monday, April 9; Play Starts April 16

The last of the three Y-12 Plant Golf Leagues planned for 1956 summer play was organized last week with Union Carbide Nuclear Company employees of the Rockwood and Harriman territory forming the Rockwood Golf League. The meeting was held in the Davis Diner, near Rockwood, and prospects for the loop were bright as at least 10 two-man teams were expected to enter the circuit. Eight teams composed the circuit last year.

The deadline for entering teams in this league will be at noon Monday, April 9. Every golfer in Y-12 living in the vicinity of Rockwood or Harriman wishing to play in the league is urged to communicate with the Y-12 Recreation Office, Room 221, Bldg. 9704-2, plant phone 7751, before the deadline time.

Play in the league will be at the Rockwood Golf and Country Club, starting the week of April 16.

Meanwhile, similar leagues for golfers in the Knoxville area and in Oak Ridge are planning to get into action on April 14 and 18, respectively. The Knoxville circuit will play at the Whittle Springs Golf and Social Club while the Oak Ridge golfers will perform at the Oak Ridge Golf and Country Club.

The deadline for entering these two leagues was on Monday of this week, and the lineup of teams will be announced in The Bulletin next week.

Oleos Take Top Spot In Mixed League

The Oleos greased the way for a jump from a tie for second place to the loop lead in the Mixed League of Y-12 bowlers last week by whitewashing the Strike Outs for four points. The Rocks, previously deadlocked with the Oleos, tumbled the previous first place Mix Ups for three points, the winners holding second place and the losers dropping down to third. In the other match of the night the Pin Ups pinned a whitewash win on the Nip and Tucks.

Harold Ratjen, Nip and Tucks, took top honors in single game scoring with a 201 scratch, boosted to 238 with handicap. E. Scott, of the Rocks, did likewise in series scores with a 500 and 629. Team scoring honors were divided four ways. The Mix Ups' 550 scratch game was tops as was the 761 handicap game of the Rocks. The Pin Ups came through with a 1529 scratch series and the Oleos had a 2181 handicap series.

| Team | W | L |
|---------------|-----|-----|
| Oleos | 22½ | 13½ |
| Rocks | 21½ | 14½ |
| Mix Ups | 21 | 15 |
| Pin Ups | 16 | 20 |
| Strike Outs | 16 | 20 |
| Nip and Tucks | 11 | 25 |

For every man who lives to be 85, there are seven women—but by that time it's too late.

ALTHOUGH FAR DOWN IN THE STANDINGS OF THE C LEAGUE OF plant bowlers for most of the season, the Q Balls team, shown above, has made matters tough for the opposition in every match and have turned in some upset victories recently. From left are E. Fleischman, J. Love, B. Hossley, J. Bartholomew and B. Brewer. T. Wade was absent when picture was made.

6-7900

B. BREWER, OF THE Q BALLS bowling team of the C League, cuts loose with a "hope it is a strike ball" in a recent match. He has a good average of 150 in loop play.

6-7902

Len Hart Captures City Bowling Crown

Len Hart, who makes a habit of posting top scores in Y-12 and other Carbide bowling loops, has added the Oak Ridge city championship to his already long list of titles. His 1746 all-events score in the city tournament put him far out in front.

One of the top scores in Oak Ridge bowling history was rolled in the event by a K-25 kegler, Joel Bennett, who coupled games of 201, 236 and 269 for a 706 scratch series. Joe Pryson, of Y-12, is believed to hold the city record of around 712, made several years ago.

Kennel Club Sets Dog Show April 14

A one-day unbentched dog show will be held by the Oak Ridge Kennel Club at the Oak Terrace in Grove Center on Saturday, April 14. It will be the 11th all-breed show sponsored by the Oak Ridge club.

All breeds and varieties of dogs are eligible to be entered. The local class is open to Anderson and Roane County entrants, but champions of record are not eligible nor are licensed handlers or their helpers. Local breed or variety of breed classes will be held. However, there will be no local variety groups or best local dog of show. Ribbon prizes will be awarded winners in the local classes.

Entries for the Oak Ridge show must be in the hands of Moss Dog Shows, P.O. Box 2972, Greensboro, N.C., by noon Tuesday, April 2. The Moss organization has been superintending American Kennel Club dog shows for 20 years and

Marksman Extend Pistol Loop Lead

The Marksmen team in the Y-12 Pistol League extended their lead last Thursday night with a double victory over the Masters. The Marksmen took a 453 to 412 scratch decision and outscored their opponents 569.734 to 566.882 in handicap scoring. The Experts and Sharpshooters divided, the Experts winning 515 to 491 scratch and the Sharpshooters getting a 579.460 to 578.162 handicap win.

Top score of the night in both scratch and handicap scoring was P. H. Williams, of the Sharpshooters, with 267 and 292.344. J. C. Ezell led the Experts with 260 scratch and R. L. Vanderpool had a 289.997 handicap on that team. D. R. Alford topped the Masters in both scratch and handicap with 240 and 283.650. C. G. Brewster's 231 scratch was best for the Marksmen and O. C. Beatty had high handicap of 285.742.

The next firing by the Y-12 Pistol League will be Thursday, April 5.

| Team | W | L |
|---------------|-----|-----|
| Marksmen | 23 | 13 |
| Experts | 19½ | 16½ |
| Sharpshooters | 16 | 20 |
| Masters | 13½ | 22½ |

will act in this capacity for the Oak Ridge show.

Entry blanks and further information on the Oak Ridge show may be obtained from Robert Healy, Y-12 plant phone 7317.

C Shift Fish Rodeo At White's Creek

Fine Prizes Offered In April 5 Contest

Fishermen of the C Shift are poised with poles, lines and various types of lures and full of ambition to win one of the several fine prizes to be offered in the big one-day fishing rodeo planned for Thursday, April 5. The rodeo will be held at Reed Dock, White's Creek, near Harriman, according to Glenn W. Ballew, chairman, Recreation Committee.

A three horse-power Buccaneer outboard motor will be awarded the C Shift angler landing the biggest fish during the one-day rodeo. For the second largest fish the accomplished fisherman will receive a spinning rod and reel. A Coleman lantern will be awarded the contestant coming in with the most fish.

In addition to prizes for the active anglers, some tasty items of meat will be awarded in a drawing. They include 15 pounds of T-bone steaks, 10 pounds of pork chops, 12 pounds of cured ham, 10 pounds of hamburger, five pounds of bacon and five pounds of sausage.

To defray expenses for the event, entrants in the rodeo will pay a donation of \$1, while tickets for the drawing will cost 50 cents each.

Sooners Stretch Lead In C League

The Sooners stretched their lead in the C League of plant bowlers by downing the troublesome Q Balls for three points as the lime-light in the race settled on second place, where three teams were tied at the end of alley activities last week. The Glass Arms and Hornets climbed to a deadlock with the Deltas for the runner-up spot, the former outfit mauling Murderer's Row and the Hornets stinging the Deltas, each by three. The Hot Wires and the Rusty Five deadlocked at two points each.

League standing follows:

| Team | W | L |
|----------------|----|----|
| Sooners | 34 | 18 |
| Deltas | 28 | 24 |
| Glass Arms | 28 | 24 |
| Hornets | 28 | 24 |
| Hot Wires | 27 | 25 |
| Murderer's Row | 25 | 27 |
| Rusty Five | 21 | 31 |
| Q Balls | 19 | 33 |

There is nothing more tragic in life than the utter impossibility of changing what you have done.—John Galsworthy.

Process Maintenance sends get-well wishes to **H. Garrison**, recovering from an operation in Oak Ridge Hospital . . . Also to **J. W. Montgomery**, ill at his home in Hartselle, Ala. . . **L. T. Sliger** is sunning at Daytona Beach . . . **John Goodpasture** is trying the fishing at Center Hill and lakes in Eastern Tennessee . . . **C. R. Cooper** is visiting his daughter in Gadsden, Ala. . . **C. M. Neal** is planning to work on his home over at Marlow, Tenn., while vacationing.

Alloy Maintenance is glad **J. T. Yoakum** and **A. L. Rainwater** are back after being ill . . . Get-well wishes to **W. E. Roark**, off ill . . . **C. R. Sharp** vacationed last week at home in Lake City . . . **W. T. Martin** is visiting kin folks in Nathalie, Va. . . **J. A. Sikes** is visiting his son in Texas . . . **W. A. Furlong** is with his parents in Youngstown, Ohio . . . **F. H. Perry** is erecting his pre-fab house while vacationing . . . **F. L. Renfrow** is

IBM Corp. President Pays Visit To Y-12

Continued from Page 1

position, his son stated in answer to questions.

Born In Ohio In 1914

The current IBM president was born in Dayton, Ohio, January 8, 1914. He graduated from Brown University, Providence, R. I., and married the former Miss Olive Field Crawley in 1941. They have five children. From 1940 to 1946 he served in the United States Air Force, reaching the rank of lieutenant colonel, senior pilot.

Watson was accompanied on his tour of the IBM installation in Y-12 by E. C. Ellis, Manufacturing Office Division superintendent; F. C. Uffleman, SS Control Department Superintendent; Charles Benton, Cincinnati, IBM district manager; and R. S. Hughey, Knoxville-Oak Ridge manager for the corporation.

Rides Wanted, Offered

Ride wanted from Alcoa to East Portal, straight day. Pat Burch, plant phone 7-8347, home phone 1645-M, Alcoa.

Two riders or car pool members wanted from North Knoxville or Alice Bell Community to East or West Portal, straight day. D. V. Zehner, plant phone 7228, or C. J. Price, home phone 5-9244, Knoxville.

Two want to join car pool from Halls to West Portal, H Shift. S. A. Morton or O. S. Moore, plant phone 7904.

Two car pool members wanted from North Hills section of Knoxville to West Portal, H Shift. R. E. Lee or F. D. Lively, plant phone 7904.

in his new home at Kingston . . . Departmenters are warned not to eat sweets in front of **F. K. Booth**—he's trying out the 1,500 calories per day diet.

ALLOY

Alpha Four is consoling **Jack Cooper**, back from vacation—says he tried some fishing up around Norris but neither Spring nor fish showed up on time . . . **K. J. Northcutt** is entertaining his parents who are visiting him from Mississippi during his vacation—Joe is showing them the Smokies and other places of interest in East Tennessee and North Carolina . . . **F. N. McLain** went sailing over the Bounding Main for a couple of weeks on Naval Reserve training out of Pensacola, Fla. . . **G. W. Johnson's** vacation was sadly spent at home doing housekeeping and baby-sitting while his wife was in the hospital . . . **A. C. Smith** says his co-workers are really swell folks—**Ralph Stonecipher** and **Joe Horthcutt** have been helping him build a new basement . . . Alpha Four is sorry to lose **Wanda Livesey** and **F. V. Tilton**, who have gone to the Maintenance Division—but greetings are extended **Neal Dow** and **Barbara Guettner**, who have checked in from Beta Four.

Carl W. Frazier, the senior, that is, of Colex Operations, is vacationing for a few days at his old home town up in Virginia, then plans to scoot back to Memphis for the convention of the Tennessee State Conservation League over there.

Pals on "the hill" of **Charlie Smith**, the sage of Mechanical Operations, want us to pass on some admirable advice—so su-r-r-e we will. Here's Charlie—

"If you can't speak good words, don't talk at all.

Use happy, gay words, lovely words each day.

So that those around you Will honor what you say."

That's what the CC tries to do—every week.

DAVE ALFORD, BETA TWO, WON another first place in the Y-12 Photography Contest for the week ending March 14 with this appealing picture of his daughter, **Lindsay**, 19 months old, coyly looking out of her play pen.

JOSEPH H. STEWART, PRODUCTION Analysis, took second place in the Y-12 Photography Contest for the week ending March 14 with this snapshot of a snow-laden tree taken during one of the January storms in this area.

IRS Still Giving Advice To 1955 Income Tax Payers

With the deadline of April 16 rapidly approaching for the filing and payment of 1955 income taxes, the offices of the Internal Revenue Service in Knoxville will be open during the week of April 2-6 and April 9-13 and also on the deadline of Monday, April 16, to give advice to taxpayers. The IRS assistance generally will consist of explaining or clarifying points of law and taxpayers are urged to prepare their own returns from instructions given in the book accompanying the tax forms.

Former Y-12er Gets High Post At N. C. State College

That Dr. Raymond L. Murray, mentioned in an Associated Press story from Raleigh, N.C., last week as having been appointed acting director of the nuclear reactor at North Carolina State College, is a well-known former Y-12er. He was one of the Y-12 pioneers, coming to work here on December 28, 1943 in the Electromagnetic Research Division and leaving in 1950 to become connected with North Carolina State College.

While working in Y-12, Dr. Murray became the first person to obtain a Ph.D. degree in physics from the University of Tennessee, receiving this honor in August of 1950.

SAFE AND HAPPY EASTER WEEK END IS URGED

A safe and happy Easter week end observance is urged of all Y-12ers, most of whom will enjoy a long week end holiday as a result of the Good Friday holiday set for Friday, March 30. On that date no employee will be required to work except those required for continuous operation and protection of the Y-12 Plant.

Highway travel is expected to be exceptionally heavy over the week end and the many Y-12ers now planning trips are reminded that care and courtesy in driving will make the journey safer and more enjoyable.

Dave Samuel Planning Summer Of Resting

Continued from Page 1

stressing safety, some of which have been published in The Bulletin. He also has penned "Sam's Salty Sayings," pungent paragraphs devoted to safety—and once at a departmental safety meeting on request he dolled up in a costume depicting "Daisy Mae From Grinder's Switch" to put on a sketch devoted to furthering safe operations. This one ridiculed "horseplay," one of the biggest safety hazards of all anywhere.

Won Prize For Limerick

On at least one occasion he won a cash prize from the magazine, The Industrial Supervisor, published by the National Safety Council, for writing a last line to a limerick verse on safety.

Sitting comfortably in the living room of his home at 128 Tabor Lane, under a collection of birthday cards—he celebrated his 65th anniversary March 19—Dave and his wife discussed their future plans last week.

"He's always been interested in sports, now he can watch ball games on television all summer," his wife commented.

To Watch Political Conventions

"I'll sure be in front of the set when the political conventions come along, too," Dave chimed in.

How about fishing?

"Well," he hesitated, "I like to go out once in awhile, maybe, just to wet a line, but as far as catching fish, I'm not so interested," he added.

The Samuels plan to continue living in Oak Ridge. He is looking forward to the pricing and sale of Oak Ridge homes and to exercising his privilege and priority as a retired employee in buying a home in the city.

No Florida Sand In Shoes

Florida?

"I've never gotten Florida sand in my shoes," he commented—thereby probably differing from a great majority of other Y-12ers.

The Samuels are members of the Kern Methodist Church and conduct a Sunday afternoon Sunday School class for about 12 youngsters on a non-denominational basis. Just recently he presented each of the children in the class with a Bible.

Christmas is a particularly important season to them. In co-operation with their son-in-law, the **Rufus Dunns**, they won the Christmas home lighting contest for two out of the three years they entered and finished second the other time.

Dave Samuel is so well-liked and respected in his department that frequently younger Y-12ers come to him for advice and even sympathy on their problems—and from them and the throngs of other Y-12ers who have had the privilege of knowing him for many years, comes the words:

"Good luck, Dave Samuel."

Symphony Planning Concert For Children On April 26

The Oak Ridge Symphony Orchestra now is making plans for a spring concert for a children's program to be given on Thursday, April 26. The program will be arranged by music teachers of Oak Ridge Schools in conjunction with Conductor **Anthony Raisis**.

Conductor **Raisis** also has announced that the orchestra is planning a special concert to be held some time in December as a benefit performance to raise funds for music scholarships for Oak Ridge students. Tentative plans for this concert calls for a complete program of "pops" music with the symphony "shortening its hair for this one concert."

THE EYES MOVE FAST

The human eyes move along about one and one-third miles of print for an average reader during eight hours of normal reading, a recent survey revealed.
